

Driessen Train Trolleys

- **Customized design**
- **Lightweight**
- **Ergonomic**
- **Fully certified**
- **Durable**
- **Low maintenance**

Driessen designs, manufactures and services state-of-the-art and durable train trolleys. Driessen provides among other trolleys for meals, drink and snack service, on board sales, and to collect litter.

An infinite variety of catering equipment can be made. Designed to your specifications and built to our high standards of quality. Tailor made solutions can be provided to suit the ultimate needs of the traveller.

Options

There are various options for the materials of the trolley such as aluminium, stainless steel and plastics. Trolleys can be made in any color to match your cabin interior.

All trolleys can be equipped with coffee jugs, racks, drawers, boxes and space for all necessary amenities. In addition various cooling techniques can easily be included in our trolleys.

- **Easy to handle**
- **Easy to manoeuvre**
- **Easy to load and off-load**
- **Easy to clean**

Total Care Concept

Driessen offers a total care concept. From designing to manufacturing, after market service and the provisioning of spare parts. Through our global network of 30 service stations Driessen can offer on the spot maintenance to your equipment.
